Reggio Emilia, 28/02 /1992

Dear President **ARCHIVO**

We are members and supporters of Amnesty International, an independent worldwide movement working for the international protection of human rights.

We would like to express our deep concern at the threats made against members of CODEPU (Comité de Defensa de los Derechos del Pueblo). On January 29 the offices of CODEPU in Santiago were broken into and after that the members of the Committee received a "warning", in form of telephone calls, from a group called Frente Nacionalista de Combate, apparently a paramilitary group.

We ask You to do everything possible to ensure adequate investigation on the case and to protect the lives and physical integrity of all members of CODEPU. The government should take measures to ensure that members of human rights groups are able to conduct their legitimate activities without fear of reprisal.

Yours faithfully
