Dear Mr President,

I wish to express my profound concern for the appointment as military attache to the Chilean Embassy in London, of the commander of the Cavalry School of Quillota, Chile, Francisco Janvier Perez Egert. Commander Perez Egert was in charge of the Military Platoon that executed eight Political Prisoners on January the 18th 1974, in Quillota, three of them "Disappeared" and according to eyewitnesses, buried in the Patio of the Military School of Quillota of which Mr Perez Egert is the Commander.

Therefore as all decent people in Chile and abroad I can not stand aside and allow this criminal, torturer and human rights violator, to enjoy impunity for his crimes and being appointed military attache. I do oppose his appointment and entering to Britain.

I would appreciate if you, on behalf of the people of Chile, and on my behalf do all in your power for the immediate suspension of this appointment.

Yours faithfully
