Excelencia Sr. Presidente de la República

We are writing to express our concern at the "disappearance" of Jose Julio Llaulen and Juan Eleuterio Cheuquepan Levimilla on 11 June 1974 following their detention by carabineros.

We welcome the investigations into the "disappearances" of these men, and we hope that those responsible will be brought to justice.

We believe that full investigations are essential to make sure that such violations of human rights never happen again.

Yours very truly,
