Your Excellency

I am so pleased that you are opposed to the death penalty and I would therefore respectfully ask that you could exercise your power of clemency and commute the death sentences against Mauro Gonzalez Quispe, Rene Larico Aguilar and Lisbert Fausto Mamani Morales.

As a member of Amnesty International I am among a group that is totally opposed to the death penalty. We would urge you to do all you can towards the total abolition of the death penalty in Chile, so that you are in line with the worldwide trend over this issue. The abolition of the death penalty ensures long-term respect for the human rights of all peoples, regardless of nationality, which the death penalty clearly violates.

Yours sincerely
