ARCHIVO

Your Excellency,

I avail this opportunity to pay my heartiest compliments to you, the symbolic international dignity.

I am a twenty eight years old. I am very fond of Collecting V.I.P.'s autographed photographs, used postage stamps, view post cards and Tourist Guides of different countries, quite a few personalities have already sent me gift packets containing such like articles. May I request your excellency to kindly send me a photograph duly autograph of your self alongwith other cited articles for my collection and oblige.

Requesting you once again for the royal patronage towards me and praying for your excellency's long life and prosperity of your country and great people, I remain.

Yours,

(ZAHID AHMED BANGASH)
