Palacio de la Moneda

Your Excellency!

Amnesty International opposes the death penalty in all cases as a violation of the right to life and the right not to be subjected to cruel, inhuman or degrading treatment or punishment, as proclaimed in the Universal Declaration of Human Rights.

I welcome President Patricio Aylwin's decision to commute the death sentences of Mauro Gonzales Quispe, Rene Larico Aguilar and Lisbert Fausto Mamani Morales.

I deeply express serious concern that RAFAEL ESCORZA HENRIQUES has been sentenced to death and respectfully requesting President Aylwin to exercise his power of clemency to commute his death sentence.

I am calling again for the total abolition of the death penalty in Chile and stating that abolition would ensure long-term respect for the human rights of all peoples, regardless of nationality which the death penalty clearly violates.

I AM STATING AMNESTY INTERNATIONALS TOTAL OPPOSITION TO THE DEATH PENALTY

Yours sincerely and respectfully!
