Dear Sir,

I take this opportunity to thank you for your kind invitation to be present at the presidential inauguration ceremony 11-13th March.

I sincerely regret that it is not possible to be present on this very important occasion for Chile and for democratic movements in general.

The Norwegian Youth Council sends our warmest greeting to you on this occasion and our best wishes for you and all your colleagues in the time to come.

We look forward to cooperating with you through our contacts to your youth movement.

Yours sincerely
Norwegian Youth Council (LNU)

Dag Endal
Secretary General
