## INTRUCTIONS

This letter originated in the Netherlands, and has been passed around the world at least 20 times, bringing good luck to everyone who passed it on. The one who breaks the chain will have bad luck. DO NOT KEEP THIS LETTER. Do not send money. Just have a wonderful efficient Secretary make four adicional copies and sent it to five of your friends to whom you wish good luck. You will see that something good happens with you four days from now if the chain is not broken. This is not a joke. You will receive good luck in four days.

Hay solo dos razones que me hacen continuar esta cadena...

a) como dijo el poeta: "por si las moscas", y

b) lean y vean la cantidad de gente importante que dedica parte de su tiempo para molestar a sus amigos.

Los acompaño en el sentimiento
