Mr. President of Chile - Santiago

Mr. Craxi Bettino socialist italian next days will be there in Santiago for a congress and by this I wish to inform you as follows:

socialist politic Psi

We wish to inform you that the Italian man **Craxi Bettinovic** a corrupted man, a man able to corrupt other persons for money and other things. Please pay attention, much attention because Mr. Craxi is not a good man, is not a correct man but he is a **THIEF!!!**

He is stealing every day for him and also for his party and in the past (now he is very controlled by all of us!) in the past, I am saying, he ~~has~~ money also in dealing with the **DRUGS** and also with **ARMS**. He dealt with Iran and Iraq, with Argentine during the Falkland war and he was helped by Mr. Gelli (a secret man), by Mr. Pazienza, Mr. Ortolani, by Mr. Calvi now murdered, by Mr. Mach di Palmestein, by Mr. Shammah and also by Mr. Sindona now also murdered!

Mr. Mach di Palmestein and Shammah and also Gelli are researched by the Italian Police and Judges for their black commerce, illegal commerce, and their illegal actions!

This is Mr. Craxi and in these dealings and commerces he gained much and much money to save himself, his family and his party, the socialist party! Some of his politic friends such as the minister Formica and other are owners of some Italian firms very illegal such as **COPROFIN**, **SOFINIM** and **EDITFIN** where Mr. Craxi has put all the money he stole in the above mentioned commerces.

All of this is very verifying here in Italy and our Judge Mr. Palermo Carlo can tell you every things! c/o PDS - Via Botteghe Oscure 4 - Rome Please be attentif, pay attention because **Craxi** is able to do everything of bad and he is able to stole money everywhere from all the people!!! I thank you and send all my best regards.

An Italian Man

**P.S. - Overall Craxi Bettino is a great BLACKMAILER!!!** Please remember it!!!! He also gained in illegal oil commerce of Iran and Iraq he gained very high percentages on this commerce and now he is gaining in the money helps to Poor People of Africa and Asia and of the world. So much money is sent to Poor Countries where some firms friends of Craxi do the jobs and a big part of the cash is sent to Craxi to Italy to his personal account on the bank perhaps **B.N.L.** in Rome!!! (the bank condemned for the Agency in Atlanta for money to Iraq!).

So Craxi gains money in commerce of arms, drugs, oil, and works in the Poor Countries as said above!!! Please remember!!!
