Santiago, Chile

Dear President Aylwin:

As a member of Amnesty International, an organization which seeks to promote and guarantee human rights throughout the world, I am writing today to express my concern at the threats made against members of CODEPU and the raiding of its offices which took place January 29.

I respectfully request that the source of the threats be investigated and that those found responsible be brought to justice, and also that adequate steps be taken to protect the lives and physical integrity of all the members of CODEPU.

I strongly urge that the government take measures to ensure that members of human rights groups are able to conduct their legitimate activities without fear of reprisal.

Please accept my profound appreciation for your time and interest in this matter. I look forward to hearing of the results of your investigation.

Yours sincerely and respectfully,

Yvonne Willems
