Your Excellency!

As a member of Amnesty International in South Korea I express my concern about Commité de Defensa de los Derechos del Pueblo and Committee for the Defense of the Rights of the People.

ARCHIVO

I'm expressing concern at the threats made against members of CODEPU and the raiding of its offices.

I'm asking that the source of the threats be investigated and that those found responsible be brought to justice.

I'm asking that adequate steps be taken to protect the lives and physical integrity of all members of CODEPU.

I'm urging the government to take measures to ensure that members of human rights groups are able to conduct their legitimate activities ~~with~~ without fear of reprisal.

God bless you!

Sincerely yours,

김문숙
