November 9, 1992

Your Excellency,

I am concerned about the possible transference to military jurisdiction of investigations into the torture and "disappearance" of Alfonso Chanfreau Oyarce in the context of the repeated failure of military courts to investigate cases of human rights violations and to bring those responsible to justice. I urge that human rights violations be investigated and those responsible brought to justice. I urge the 1978 Amnesty Law

- 2

(Decree Law 2191) which has prevented and continues to obstruct full judicial investigations into abuses committed before 1978.

Sincerely,
Anthony D'Amico
