Dr. Patricio Aylwin Azocar
 Presidente de la Republica de Chile
 Palacio de la Moneda
 Santiago, Chile

Your Excellency,

I am writing to you as a member of Amnesty International. I wish to express my concern about the extrajudicial execution of Nelson Vladimiro Cuviris Lircoqueo in 1973.

I welcome the investigations into his killing and I hope that those responsible will be brought to justice.

Amnesty International believes that bringing the responsible people to justice must happen with all human rights violations committed in Chile in order to prevent such atrocities from recurring. Amnesty International believes that the amnesty law of 1978 constitutes an obstacle to clarifying past abuses and preventing their recurrence and that the law should be repealed.

I am deeply grateful for your kindness in attending to this letter and look forward to the honor of a response.

Sincerely yours,

Maureen Kraick
