Your Excellency:

I applaud you for your courageous and humane decision to commute the death sentences of **Mauro González Quispe, René Larico Aguilar, and Lisbert Fausto Mamani Morales.**

I urge you to continue your fight for life and for the soul of the people of Chile. We never condone the acts of terrorists, nor do we condone the taking of human life by anyone, by any government. **Rafael Escorza Henriquez** is another who is awaiting death. I hope that you will give his case the same consideration as you have given to the others.

Sincerely Yours,

Rod Weaver M.D.
