Your Excellency

This is a petition in the legal case

Nelson Wladimiro Curuñir Lincoqueo

requesting for a clearing up of all unsettled points.

Reasons:

To avoid any possible misinterpretations let me say clearly that this letter was written on *purely humanitarian reason*; and I strongly believe a severe observation of the standards of human rights to be the only sound basis of political, social and - in the long term - economic progress in a country.

It is by no means my intention to support any special political or social group in Your country or to intervene in interior affairs.

Concluding remark:

I apologize for my poor English, raw in style and sometimes even impolite. Of course I am not interested in being offensive or in aggrieving any person.

Yours sincerely

10. 10. '92

Ruppenthal
