Dear President

I am writing to ask you to investigate the disappearance of **Maria Flores Barraza**, who disappeared after interrogation by the security forces in Santiago, following her arrest on 2 April 1976. Her children still do not know her whereabouts.

In accordance with the United Nations Universal Declaration of Human Rights (Articles 3, 9 and 10) I ask for a full, independent judicial enquiry into her fate, and that those responsible for this violation are immediately brought to justice.

Yours sincerely

John Bremner
