Dear PRES. AY4WIN,

We are a new Import-Export-International Finders Company desiring to do business with you and your country.

Please help us to get better known in your country and in your "circles of friends" and business acquaintances! We will be elated to do business with Private Enterprises and Governments. We realize the importance that World Trade has upon World Peace and we want to do our small part to help! We hope you will try us at least one time and give us a chance to prove our Good Will and Good Faith to you! No order too large or too small!

Yours Respectfully,
