Your Excellency,

Re: Juan Domingo SALVO ZÚNIGA, sentenced to death for the murders of Antonia del Carmen Cabrera Gómez and her three children.

As a member of Amnesty International, the worldwide non-political human rights organisation and according to the above I am respectfully

- requesting Your Excellency to exercise Your power of clemency and commute the death sentence against Juan Salvo Zúñiga;
- stating that Amnesty International opposes the death penalty in all cases without reservation, on the grounds that it is the ultimate, inhuman and degrading punishment;
- calling for the total abolition of the death penalty in Chile in line with the worldwide trend.

In the hope that You will pay kind attention to this very urgent matter I remain

Yours sincerely and respectfully

Ingela Sombeck
