April 26, 1991

To: Your Excellency, Mr. Patricio A. Azoar
President of Chile

I am writing to ask your help in stopping the expulsion of the Comunidad Mapuche-Pehuenche Quinquen from their native land in the Quinquen Valley. They have been told to leave their land by May 16, 1991 or else face the police. I understand that you have been a big supporter of native people's rights and that you have expressed your commitment to defending the rights of the Quinquen community. I ask you to take urgent action to help the Quinquen keep their home. They are depending on you and your new, democratically elected government. Please act quickly! I'll be watching the situation closely. Thank you.

Peace,

Shirley Garcia
