Dear President,

RECEIVED
PRESIDENCIA
REPUBLICA
NR. 92/22704

Dumbarton

SCOTLAND

G82 2BH

I am writing to

express deep concern about the "disappearance" or
extrajudicial execution of the following

Antonio Amador Morales Samuel Alfonso Catalan Smedeo
Pedro Millalán Huenschir José Saulén Antilao
Nelson Currier Lincoqueo Juan Chequepán Sevimilla.

I welcome the judicial investigations that are being
conducted into the case, and hope that the full truth
will be brought to light, and that those responsible will
be brought to justice.

The Amnesty law of 1978 prevents those responsible
from being brought to justice, and I would urge the
government to repeal that law immediately.

Bringing the perpetrators to justice, will send a clear
message that those who violate Human Rights will
be held accountable + punished.

Failure to do this will only encourage the
perpetrators

I am
yours respectfully

Edith M. MacSwan.
