Your Excellency.

We are writing to you about Mauro Gonzalez Quispe, Rene Larico Aguilar and Lisbert Fausto Mamani Moralis who have been sentenced to death for the murder of two Chilean students in January 1992.

We welcome your opposition to the death penalty and therefore we respectfully urge that you exercise your power of clemency and commute the above death sentences.

We also call for the total abolition of the death penalty in Chile in line with the world-wide trend, which would ensure long-term respect for the human rights of all peoples, regardless of nationality.

We thank you for your attention to this case.

Yours sincerely,

RAFAEL ESCORZA HENRIQUEZ

My name is Melissa Connley and I am a member of Amnesty International in Australia. I am pleased to hear of your decision to commute the death sentences of MAURO GONZALEZ QUISPE, RENE LARICO AGUILAR and LISBERT FAUSTO MAMANI MORALES however I am still concerned that RAFAEL ESCORZA HENRIQUEZ has been sentenced to death.

I am writing this letter to ask you to use your power of clemency and commute RAFAEL ESCORZA HENRIQUEZ'S death sentence.

Amnesty International is against the death penalty because in its view every human being has a right to life. I ask for the total abolition of the death penalty in your country, Chile and with the abolition of the death penalty, there would be long term respect for the human rights of all peoples regardless of nationality, which the death penalty clearly violates.

I submit this matter for your consideration and subsequent action.

Yours sincerely

Excellencia,

I write with concern for the lives of Mauro González Durazo  
René Larco Aguilar

They are three Peruvians sentenced to death for the murder of two Chilean students (Marjorie Navarro and Alexander Orrego) in January 1992.
