Dear Your Excellency *Mr. President*

Sport is a symbol and bridge of friendship. To publicize China's bid to host the 2000 Olympic Games, our company will sponsor a travelling publicity team. This tour will last two years and cover several hundred thousand kilometres, including over a hundred countries in its itinerary. It will enhance the mutual understanding and friendship between the Chinese people and the peoples of the world, further people-to-people cultural exchanges between countries and make known the sincere wish of the Chinese government and people to host the 2000 Olympic Games. Through reform and opening to the outside world, China has perfected its conditions for hosting the Games. To achieve our goal, we request your government and people to provide us with necessary support and help. Upon receipt of the consent from your government, we will duly inform you by mail of the length of stay, route, visits and cultural exchanges of the travelling delegation. We sincerely thank you for your cooperation and look forward to receiving your early reply.
