Dear Mr. President:

It is a distinct honor to invite you to visit the State of Texas during your next trip to the United States, which I understand will be in April or May, 1992. In addition to attending an academic event at The University of Texas, I hope that we can meet and discuss developing closer economic relations between Texas and Chile.

Texas is unique. Along with a diverse Hispanic population and strong ties to Latin America, Texas enjoys the benefits of a dynamic business community which is increasingly looking to Latin America for growth. Austin is our state capital, the location of the State Legislature and all state offices dealing with international commerce.

Your visit to Austin would be a major step in strengthening ties between Texas and Chile. I look forward to your response.

Sincerely,

ANN W. RICHARDS
