Your Excellency,

I am a teacher from Fisa (Italy).

I have been greatly disturbed in reading about the case of a Mapuche Indian and an activist in the communist party whose name was **Nelson Vladimiro Curifñir Lincoqueo**.

He was arrested by members of Air Force in 1973.

According to a recent investigation on the case he was extrajudicially executed a few weeks after his arrest.

It seems a 1978 law hinder the punishment of the responsables.

**Nelson Vladimiro Curifñir Lincoqueo** is one of many Mapuche indians who were subjected to human rights violation after the 1973 coup.

I'd like to know more on this case.

Yours respectfully

*Paolo Baracani*
